BASIC ICONOGRAPHY

	Obtain/spend the Food indicated.
	Obtain/spend the Heka indicated.
	Earn the indicated PP at the end of the Era.
	Earn the indicated PP immediately.
	Advance your Heart the steps indicated.
	Advance your Feather the steps indicated.
	Advance one of your Scarabs 1 step, but do not perform any action.
	Obtain a Papyrus from the Market by spending the corresponding Heka.
	Obtain a Papyrus from the Market without any Heka cost.
	Obtain a Craft from the Market by spending the corresponding Food.
	Obtain a Craft from the Market without any Food cost.
	Advance one or both of your Limestone Blocks the steps indicated. If you have multiple steps, you can distribute them between your two Blocks as you wish.
	Build a piece of the Great Pyramid.
	Obtain 1/2 Favours of Khufu (it can be the same Favour twice).
	Obtain the Permission of Khufu: a Permission from your Reserve becomes available.
	Place a Permission of Khufu that you have available and build a piece of a Queens' Pyramid. You cannot advance to these spaces if you do not have a Permission of Khufu available.
	Embalm: turn a Mummy from your Reserve to its Sarcophagus side, which then becomes available.

	Perform a Funerary Rite: place an available Sarcophagus in an empty space of the Necropolis of an equal to or lower level than that indicated.
	Perform a Funerary Rite: place an available Sarcophagus in an empty space of the Necropolis of an equal to or lower level than the *Funerary Rite* action of the highest level you can choose with your Scarab.
	Perform the indicated activations of Mastaba Tiles. You can choose any Tile and if you have multiple activations, you can distribute them among the Tiles as you wish.
	Advance one or more of your Priestesses the steps indicated. If you have multiple steps, you can distribute them among your Priestesses as you wish (whether they are standing or lying down). You cannot move your Priestesses backwards.
	Make an Offering in a Temple Room where you have a standing Priestess; lay your Priestess down after performing the action. You cannot make an Offering if you do not have a Basket with a Craft. You can make the Offering before or after advancing all your Priestesses, but not in between.
	Move your Orb up the steps indicated.
	Perform the Deity's action in play when you reach these spaces on the Obelisk.
	Advance one or more of your Boats the steps indicated. If you have multiple steps, you can distribute them among your Boats as you wish; you can pass through sections where you have a Boat, but you cannot end your movement where you already have one. You cannot move your Boats backwards.
	Perform the indicated Boat activations. If you have 2 activations, you must activate 2 different Boats. You can perform the activations before or after advancing all your Boats, but not in between.
	Obtain a Trade Contract of your choice from those available in the River Cities.
	Carve a Sphinx: a Sphinx from your Reserve becomes available.
	Erect a Sphinx: place an available Sphinx on an empty Pedestal in the City of an equal to or lower level than indicated.
	Erect a Sphinx: place an available Sphinx on an empty Pedestal in the City of an equal to or lower level than the *Erect a Sphinx* action of the highest level you can choose with your Scarab.
